C.W. Post
Career Services has applied for "Out for Work" Certification

www.outforwork.org

The Out for Work Career Center Certification Program is the first program designed to assess the quality, quantity and availability of career resource materials for LGBTQ students. The primary goal of the Career Center Certification Program is to provide academic institutions and students with an evaluation of the support available to LGBTQ students facing employment and workplace challenges.

C.W. POST CAMPUS

LONG ISLAND UNIVERSITY

To provide these services, the Division for Student Success partners with:

C.W. Post Psychological Services Center
516-299-3211

Support for LGBTQ future professionals

Academic & Career Planning/ Cooperative Education & Internships/ Graduate & Alumni Career Services

Career Services at C.W. Post provides programs and resources to assist LGBTQ students and alumni. Visit the Career Services office on the 2nd floor of Kumble Hall for LGBTQ career-related information. Counselors are available by appointment (516-299-2746) to assist with a wide range of career planning issues like:

- Your decision to "come out" on the job or identify as an LGBTQ individual in your job search
- LGBTQ discrimination and your rights
- Identifying "gay friendly" employers
- Accessing LGBTQ alumni mentors

Information can also be found on our website at www.liu.edu/cwpost/careerservices. Click the Online Career Resources link.

Our offices are designated Safe Zone spaces.

Student Health & Counseling Center

Wellness is essential to academic and professional success. The Student Health and Counseling Center offers medical, counseling, psychiatric and nutritional services as well as drug and alcohol counseling; with sensitivity to the needs of our diverse student population.

The staff is dedicated to helping our students navigate the personal decision related to coming out in the workplace and have a successful college career. Our offices are designated Safe Zone spaces.

Psychological Services Center

The Psychological Services Center (PSC) of the Clinical Psychology Doctoral Program, located in Lodge B on the C.W. Post Campus, provides a variety of free mental health services to C.W. Post students including stress management, relationship counseling, habit control, psychological testing, strategies for coping with emotional difficulties, and recovery from psychological trauma. The PSC is staffed by second-year graduate students earning their doctoral degrees in clinical psychology. Each student is closely supervised by licensed clinical psychologists. In keeping with the Psychology Doctoral Program's mission to help underserved populations, each therapist at the PSC receives yearlong training that focuses exclusively on the LGBTQ population.

The Rainbow Alliance

The Rainbow Alliance is an open-minded group of students who provide acceptance and support for those of all sexual orientations. The club's mission is to educate and unite C.W. Post by opening the lines of communication among students for tolerance and love in today's world. If you are interested in joining or finding out more about the Rainbow Alliance at C.W. Post, you can view the meeting schedule at the Hillwood Commons information desk or ask for location of the Rainbow Alliance office .
