ASSESSMENT flash

Welcome to the Assessment Flash, a monthly e-message update from The Brooklyn Campus Outcomes Assessment Committee. The Flash includes quick progress reports of current projects and keeps you in-the-know about assessment-related events.

Updates:

- Committee co-chairs Gladys Schrynemakers, Philip Wong, and Kathy Morley have been holding feedback meetings with departments on Phase I reports
- On March 10th , the committee hosted a Faculty Forum entitled *Using Rubrics to Assess Student Learning.* This workshop was very successful and close to thirty people attended.

The Outcomes Assessment Committee is currently mounting Phase II of annual assessment process: putting into operation the use of direct and indirect measures for systematically assessing programmatic objectives. We are prepared to assist departments to ensure that measures are in line with objectives so that suitable evidence and sufficient data can be collected. The Brooklyn Campus Outcomes Assessment Committee is coordinating the following sessions in April in an effort to spearhead this undertaking:

- Conolly College Assessment Retreats on April 2 and April16
- A Provost Webinar entitled *Driving Student Success through a Culture of Evidence* on April 6 in LLC 515
- A Student Voice Webinar, entitled *Reporting Assessment Results*, on Wednesday, April 21 at 2:00 p.m.

To meet the end-of-the-semester Phase II timetable, departments should develop their specific measurement tools as soon as possible and send them to your Outcomes Assessment Committee Liaisons and their respective deans by no later than Monday, April 19th.

Feel free to contact your department's liaison for more information about assessment on the Brooklyn Campus. For more information about Assessment on the Brooklyn Campus visit http://www.brooklyn.liu.edu/oa/
