Graduate Fieldwork Placements – Page Two

We are placing students in Brooklyn schools where we have made arrangements for fieldwork. If you have extenuating circumstances that require you to be placed in a specific neighborhood or school, please explain below and we will consider your request.

If you have made arrangements to do fieldwork with a school, please include the name of the school, address, phone number and principal's name. We will contact the school to determine if it is an approved site. You must get their approval first.

You can contact me at charlotte.marchant@liu.edu or call 718-246-6496.
