Fees
SocialWorkCAS charges $75 for the first program you apply to and $45 for each additional program. For example, an application that includes three programs will cost $165 ($75 + $45 + $45).

The Council on Social Work Education offers a SocialWorkCAS Fee Assistance Program for individuals meeting income- or service-based requirements.

Fee Assistance Program Overview
A limited number of fee waivers are available through the SocialWorkCAS Fee Assistance Program. Each fee waiver covers the initial application fee, so if you wish to apply to additional programs, you are responsible for the remaining balance. If you received a fee waiver during a previous cycle, you may still apply for another in the next cycle.

You may request a fee waiver as soon as you create an application, but keep in mind that fee waivers are available on a first-come, first-served basis.

Qualification Requirements
To qualify for a fee waiver, you must either

a) meet the low-income qualifications as determined by the U.S. Department of Health and Human Services (poverty guidelines) or

b) have past or current honorable service in the U.S. military or have served/will serve a full term in one of the following public service programs: AmeriCorps, City Year, Peace Corps, or Teach for America.
