### **What is the Early Admit Program for Purchase College students?**

**The Early Admit M.B.A. Program** is an educational initiative whereby Purchase College students, interested in careers in business, may take six graduate credits at the Westchester Graduate Campus (WGC) of Long Island University, at a **50% graduate tuition reduction**. Following graduation from Purchase College, the WGC's Purchase Community Scholarship, a 25% tuition reduction, will apply to all courses taken to complete the M.B.A. degree at the WGC.

Besides acquiring six graduate credits while still undergraduates, students will receive program advisement from faculty and administrators at the Westchester Graduate Campus. They will be invited to participate in an assortment of activities offered through the M.B.A. program at our Campus and benefit from the WGC's involvement with area business leaders.
