

ALL REGISTERED STUDENTS FOR SPRING 2014 PLEASE READ – UPDATED IMMUNIZATION POLICY

Submission of your completed MMR/Meningitis form is preferred before, or at the time of registration. Our records indicate that you have registered, but have not submitted your required immunization documentation. Please note the following policy changes:

All students who register on or after the first day of classes (1/21/14) without satisfying these requirements will have a H02/H09 block placed on their accounts, preventing any additional enrollment activity until compliant immunization records are received.

Students whose complete immunization documentation is not received within 30 days (2/19/14) of the first day of classes will be suspended from campus. Such students will not be allowed on campus until cleared by their campus student health program.

Students who are suspended from campus due to immunization noncompliance must discuss all academic requirements directly with their academic program administration(s) and will be responsible for all financial obligations including, but not limited to full tuition, applicable fees, room and meal fees, and/or loss of access to campus services.

Visit liu.edu/Brooklyn/StudentLife/UHMS/Forms-Brochures to download the MMR/Meningitis form. For more information contact 718-246-6450 or email us at bkln-uhms@liu.edu
