

Independent Study Semester Fall 2012 Semester Plan of Study

Long Island University students must register online for semester courses through their MY LIU portal: https://my.liu.edu. This reference sheet outlines the required courses for the Independent Study Semester during the fall semester. It is customary for LIU Global students to register for 16 units each semester. Note that students are charged a flat tuition rate for 12-18 credits. Students will have the opportunity to drop and add courses during the first week of classes (in consultation with their advisor). Please contact Carlett Thomas, Assistant Director of Records & Administration, with any questions or concerns pertaining to registration. She can be reached at carlett.thomas@liu.edu / 718-488-3409.

READ CAREFULLY:

- a) Scroll down and register for courses at the center corresponding to the country of your Independent Study Semester. If you are going to a country or region of the world where there is no LIU Global Center or Program, register for courses under the New York heading.
- b) You must register for the Independent Study Seminar course 3 units.
- c) You must register for only <u>ONE</u> of the Independent Research Project classes – either 4, 5, or 6 units. If you choose to focus additional credits on topics related to your project, add independent study courses.
- d) Your choice of electives must be discussed with your advisor.
