

## Australia Program Spring 2014 Course Listing

Long Island University students must register online for semester courses through their MY LIU portal: <a href="https://my.liu.edu">https://my.liu.edu</a>. This reference sheet outlines the required courses and independent study courses during the fall semester. It is customary for LIU Global students to register for 16 units each semester. Note that students are charged a flat tuition rate for 12-18 units. Students will have the opportunity to drop and add courses during the first week of classes (in consultation with their advisor). Please contact Carlett Thomas, Assistant Director of Records & Administration, with any questions or concerns pertaining to registration. She can be reached at <a href="mailto:carlett.thomas@liu.edu">carlett.thomas@liu.edu</a> / 718-488-3409.
