- ◆ Specialization courses are those included in each area of specialized study: Child & Family Welfare, Substance Use & Addiction, or Forensic Social Work. Students must complete 4 courses in a particular specialization. Please see course descriptions for the specialization in the MSW Student Handbook available online: <https://www.liu.edu/brooklyn/academics/school-of-health-professions/academic-programs/master-social-work>

Note: Students may choose to take one additional course in the Forensic Social Work specialization to qualify for a New York State Advanced Certificate in Forensic Social Work
