**Build Your Own App! (Grades 5-9)**

Apps are everywhere! Have you ever wondered what goes into the making of an app? Have fun learning the basic principles of user design while you sketch out apps with wireframes and then design the app interface. This is a great way for your child to gain confidence in mobile development.

**Session A:** Tuesday & Wednesday, July 13 and 14  
**Session B:** Tuesday & Wednesday, July 20 and 21  
**Time:** 10 a.m. to 12 noon  
**Location:** Humanities Hall, Room 200  
**Tuition:** $249 per session

**Design a Logo (Grades 5-9)**

Graphic design is everywhere, from cereal boxes to Tik Tok videos to your child’s favorite sneakers. This is a fun interactive workshop for children to learn design concepts, such as spatial awareness and building in three dimensions.

**Session A:** Tuesday & Wednesday, August 3 and 4  
**Session B:** Thursday & Friday, August 5 and 6  
**Time:** 10 a.m. to 12 noon  
**Location:** Humanities Hall, Room 200
