

2025-2026 Foreign Income Review

When completing a FAFSA form, all US tax filers, and non-filers, will have their 2023 tax information verified automatically with the IRS. This form is to verify 2023 income information for students, parents or spouses who earned foreign income and filed with a tax authority other than the IRS, or non-tax filers that would have filed with a tax authority other than the IRS, if they were to file.

A separate form should be submitted for each contributor who falls within this category. All individuals must complete: **1)** section A **2)** either section B or C, depending on their tax filing status and **3)** section D.
