The rights granted to the Union shall not be afforded to any other group of employees organized for representing members of this unit in collective bargaining.

UNIT:

Section 2.

It is agreed by the parties that the Campus will not create new part-time job classifications outside of existing bargaining units in an effort to reduce the work covered by the unit without negotiating the impact of such new jobs classifications with CWA.
ARTICLE II
GUARANTEE OF RIGHTS

Section 1.
Neither the University nor the Union will interfere with, restrain or coerce any employee covered by this Agreement because of membership in or non-membership in or lawful activity on behalf of the Union.

Section 2.
The Union agrees that it will admit to membership and represent equally all members in the bargaining unit.

Section 3.
The University and the Union agree that there shall be no discrimination against any unit member or against any applicant for employment by reason of age, race, creed, color, sex, religion, handicap, national origin, political affiliation, sexual orientation, or status as a veteran including status as a disabled or Vietnam era Veteran.

Section 4.
The parties agree to use their best efforts to create and maintain a climate that will lead to the general acceptance and implementation of the University's Affirmative Action Policy as stated below:

It is Long Island University’s policy to make appointments solely on the basis of merit, affording equal opportunity to all individuals in recruitment, employment, and promotion, without regard to race, color, religion, sex, national origin, age or handicap. Further, it is the policy of the University to ensure nondiscrimination in all terms and conditions of employment, including educational training opportunities, work assignments, benefits, and the use of facilities. The University adheres to a policy of equal pay and other benefits for equal work. Additionally, Long Island University takes Affirmative Action to recruit applicants for employment and promotion from among women, members of protected minority groups, qualified handicapped individuals, and veterans, including disabled veterans and Vietnam era veterans.

Section 6.

The University and the Union support the principle of academic freedom. Members of the bargaining unit covered by the Agreement shall enjoy the right to discuss their disciplines and scholarships and matters collateral to them in the classroom, to engage in research and to publish its results. Section 4. Upgrade to Level II

Any unit member who is at Level I and who teaches at least fifteen (15) semesters of adjunct teaching, at least three credits or its equivalent in each of the semesters, is eligible for upgrade to Level II under the following condition:

No unit member may accrue more than three (3) semesters during any single academic year, September 1st through August 31st.

An adjunct at Level I is eligible for and may request an upgrade to Level II if the adjunct has earned a doctorate, regardless of the number of credits or semesters taught. In order to be eligible for promotion to Level II, the adjunct must provide proof of the receipt of the doctorate from a bona fide accredited educational institution.

a) Unit members who are eligible must apply for the upgrade in writing to the appropriate Dean.

b) The application shall include all relevant information including, but not limited to, name, social security number, department, date of hire and an enumeration (listing) of the semesters worked, and, if applicable, the doctorate earned. The application shall also include a recent resume, employment history and justification for the request for an upgrade in rank. The dean will review the application for promotion and the overall performance of the adjunct. Such review may include evidence derived from observation by faculty, student evaluations and observation by the relevant dean or designee of the dean. Upon favorable recommendation of the dean to the Academic Vice-President, all eligible adjuncts will be upgraded to Level II in the semester following the application, provided such application is received by the dean on or before the eighth week of the semester during which the application is made.
Section 5. Upgrade To Salary Levels III and IV

a) At the conclusion of each four years of consecutive teaching in a particular salary level, a unit member may request a review, in writing, to be considered for an upgrade from the member's current level to the next higher level.

b) During two of the previous four years, a full review and evaluation of the unit member's performance must have been conducted and the results of the review and evaluation must have been placed in the unit member's personnel file at the time the review and evaluation was conducted.

c) The review and evaluation will include, but not be limited to, the criteria set forth in Article XI, Academic Personnel Files, Human Resources File and Adjunct Review. Such review will also include classroom observation by peers, student evaluations and observations by the relevant dean or designee of the dean.

d) If a unit member has applied by September 30 of a semester and if a review or evaluation is not conducted by the relevant dean or designee of the dean by the end of the semester in which he/she has applied, the unit member has the right to apply to the VPAA for a review. If a unit member applies after September 30, the review will be conducted by the end of the next semester he/she teaches or the unit member may apply to the VPAA for review. If the VPAA does not conduct the review within thirty days of receipt by him or her, the unit member may submit his/her application to the SVPAA. If the SVPAA does not conduct the review within forty-five days of receipt by him or her, the unit member’s performance shall be considered satisfactory for purposes of this Section.

e) An adjunct at Level IV as of September 1, 2015 may apply for Level V pursuant to the terms of the 2008-2013 collective bargaining agreement.
Section 6. Promotion

   a) All promotions will be based on demonstrated merit. Seniority will also be taken into consideration.

       b) To be considered for promotion, an adjunct must apply, in writing, to the dean, with a copy of the request given to the department chair and cite reasons why he or she should be promoted. The adjunct’s request will be evaluated in accordance with the provisions outlined in Section 4 (for upgrades to Level II) or Section 5 (upgrades to Level III and IV).

       c) A dean, with the appropriate recommendation of the department chair and the approval of the Vice President for Academic Affairs, may waive consecutive years of teaching, as outlined in Section 4 & 5, in exceptional cases.

       d) If an adjunct is turned down for promotion to the next higher level, he or she will receive a letter of denial from the dean, with an explanation or reasons for the denial. If the adjunct is not satisfied with the explanation or if the adjunct feels that the process in evaluating the promotion request was unfair, the adjunct has the right to appeal the denial to the appropriate dean, whose decision will be final. This provision shall not be grievable under Article V.

       e) The University will provide seniority lists regarding unit members upon request by the union.
ARTICLE IV

WORKLOAD

Section 1.

The University shall not enter into any Agreement with any other employee union with respect to the workload of members of this bargaining unit except as necessary to protect the University's right to assign and appoint adjunct personnel.

Section 2.

Unit personnel shall not be assigned and teach more than a total of 21 credits at the Post Campus and 24 credits combined at all campuses of the University per year (9/1 - 8/31) and in no event more than 9 credits in any one of the following time frames:

9/1 - 1/31; 2/1 - 5/31; 6/1 - 8/1

Section 3.

Courses for which compensation is made on a per capita basis, and not on a per credit basis, shall not be included in the teaching load limit as set forth in this Article.

Section 4.

a) A Teaching Availability Form (TAF) at Appendix A, shall be completed by adjunct faculty eligible for teaching assignments each year as follows:

Not later than thirty (30) days prior to the deadline for the departmental submission of the regular fall schedule of classes to the Registrar or when appointment letters are sent to re-appointed adjunct staff.

b) The TAF shall be returned to the department chair where they will be kept on file.

c) New hires shall receive their TAF in their new hire packets.
d) Additional TAF's may be downloaded from the Academic Affairs website under "Policies, Procedures and Forms."

e) It shall be the responsibility of each Unit member to return the completed form to the appropriate Dean not later than two (2) weeks prior to the deadline for the departmental submission of the schedule(s) for each semester.

f) Any failure to return the form as stated above or failure to be available for assignment during at least one (1) assignment period during each academic year shall result in the unit member's removal from eligibility for assignment status.

g) Further, the parties agree that receipt of a Teaching Availability Form by a unit member does not obligate the University to provide a teaching assignment.

Section 5.

a) If an adjunct is not assigned a course consistent with his or her availability listed on the TAF, he/she may meet with the chairperson to discuss the complaint.

b) If the complaint is not resolved, he/she may submit it to the appropriate dean. The adjunct may, at his/her discretion, be accompanied by a CWA representative. The dean, if requested, shall provide a written statement of the reasons for the assignment made.

c) If the complaint remains unresolved, it may be submitted to the Vice-President for Academic Affairs whose decision shall be final and not grievable under Article V of the Agreement except as explicitly noted in Article V, Section 4(e) and (f).

Section 6.

a) If a previously offered and accepted assignment is withdrawn for any reason, the University shall compensate the affected adjunct only in accordance with (b), below.
b) An adjunct who meets a course, the assignment to which is subsequently withdrawn prior to the normal termination of such course, shall be compensated on a pro rata basis for actual classroom meeting times.

Section 7.

All adjunct teaching assignments shall be made by the appropriate dean or his/her designee. Nothing herein shall preclude Management from overseeing and managing Dean approval.

Section 8.

Once the course has commenced, an adjunct assigned to a course shall not be required to teach the course on a per capita basis without his/her consent. Failure to give such consent to teach the course on a per capita basis shall not constitute refusal of an assignment. If the adjunct refuses to teach the course on a per capita basis, the adjunct will be compensated on a prorated basis for the actual class meetings.

Section 9.

It is the intent of the University to notify adjunct teaching staff members in writing of assignments available at the earliest date possible. Initial notification may be oral, but it must be followed by written confirmation.

When notified of assignment, the Unit member shall be responsible for submitting his/her course outline and preliminary schedule of required office hours which shall be at least one (1) hour per week for each three credits of teaching and which shall be held at a time comparable with his/her regular class hours.

Faculty are required to submit final grades within forty-eight (48) hours of the final class meeting or final examination period, whichever is later.
Faculty must post their course syllabi to BlackBoard, or comparable system designated by the University in the future, two (2) weeks prior to registration.

Faculty are required to provide, in time for registration, a list of all required and recommended books and other course materials for all classes offered at the institution.

Section 10.

a) Effective September 2016, if a professor has taught a course a minimum of twelve (12) times, that professor will be given preference for that course over a professor who has never taught the course or only taught the course on one (1) occasion.

b) Adjuncts may indicate their interest and eligibility to receive preference in a course pursuant to this section on the Teaching Availability Form.

c) Only adjuncts at the rank of Associate and above will be given preference in a course pursuant to this Section. Preference under this Section only applies to lecture courses in the Fall and Spring Semesters. Courses taught during Summer and Winter Sessions do not count towards the total twelve (12) times necessary to receive preference pursuant to this Section.

d) Adjuncts may lose course preference status under the following conditions:

(1) The adjunct has received poor student evaluations over two or more semesters.

(2) The adjunct has not demonstrated proficiency in his/her field or for the courses for which status was granted.

(3) The adjunct has retired.

(4) The adjunct is deceased.
(5) The adjunct is terminated.

(6) Accreditation or State Education requirements or the adjunct no longer possesses the qualifications necessary to teach the course (for example, without limitation, changes in technology or significant changes in the field).
ARTICLE V

Section 2. Definition

A grievance is an allegation made by a Unit member that there has occurred a violation, misinterpretation, or improper application of a specific term or provision of this Agreement, which is not otherwise excluded from the grievance procedure under this Agreement.

Section 3. Procedure

a) Informal Stage. An aggrieved Unit member and the appropriate Department Chairperson shall meet to resolve a grievance in an informal manner. No determination shall be made by the Department Chairperson at such an informal meeting, which diminishes amends or otherwise modifies the provisions of this Agreement.

b) A grievance shall be filed in writing within thirty (30) calendar days from the date of occurrence. Any grievance not processed in accordance with the time limits specified herein shall be deemed waived. The written grievance shall set forth the basis therefore with reasonable particularity, including a designation of the Article (s) of the Agreement relied upon, and the remedy requested.

STEP I: All written grievances shall be filed with the appropriate Dean and a copy shall be sent to the Office of Labor Relations. The Dean or his/her designee shall, within fourteen (14) work days of receipt of the grievance, meet with the grievant and an authorized
representative of the Union, for the purpose of resolving the grievance. Within fourteen (14) days of the conclusion of the hearing(s) before the Dean or his/her designee, the Dean or his/her designee shall issue a decision in writing to the Union.

STEP 2: If the grievance has not been resolved at STEP I, then, within fourteen (14) calendar days after receipt of the decision of the Dean or his/her designee the Union alone may submit the grievance in writing to the University Director of Labor Relations. The University Director of Labor Relations or his/her designee shall, within fourteen (14) calendar days of receipt of the grievance, meet with the grievant and a representative of the Union for the purpose of hearing the grievance. Within fourteen (14) days of the conclusion of the hearing(s) before the University Director of Labor Relations or his/her designee, the University Director of Labor Relations or his/her designee shall issue a decision in writing to the Union.

STEP 3: If the grievance has not been resolved at STEP 2, then within fourteen (14) calendar days after receipt of the STEP 2 decision the Union alone may request review of the University Director of Labor Relations' decision by giving notice to that effect directed to the office of the Vice President for Academic Affairs of Long Island University. The Vice President for Academic Affairs or his/her designee shall, within thirty (30) calendar days of receipt of the notice requesting review of the University Director of Labor Relations' decision, convene a hearing to consider the substance of the grievance. Within thirty (30) days of the conclusion of the hearing(s) before the Vice President for Academic Affairs or his/her designee, the Vice President for Academic Affairs or his/her designee shall issue a decision in writing to the Union.

The decision of the Vice President for Academic Affairs or his/her designee, subject to the provisions of Section 4 below, shall be final and binding upon the Union and the employee(s) affected thereby.
Section 4.  Arbitration

If the grievance has not been settled at Step 3, then within fifteen (15) calendar days after the receipt of the Step 3 written decision, the Union alone may request advisory arbitration (or binding arbitration in the case of arbitration under Sections 4(e) and (f)) by giving notice to that effect, by certified mail, return receipt requested, directed to the Office of Labor Relations of Long Island University and the American Arbitration Association.

The arbitration shall be conducted in accordance with the rules of the American Arbitration Association, subject to the provisions below:

a)  In no event shall the arbitrator have the authority to recommend additions to, subtractions from, modifications of or amendments to the provisions of this Agreement.

b)  The costs of arbitration, excluding advocate fees or unilateral withdrawal, postponement or cancellation fees, shall be borne equally by the Parties. Expenses for witnesses, however, shall be borne by the party who calls them.

c)  The arbitrator's opinion and award shall be advisory to the parties, except under circumstances outlined in (e) and (f), below.

d)  Within ten (10) days following the receipt of the arbitrator's award the Vice President for Academic Affairs shall inform the Union of the University's final decision in writing.

e)  Binding arbitration is available with respect to course assignment when an adjunct on the seniority list is not offered available course(s) previously taught by the adjunct and the course at issue is offered in the semester at a time consistent with the adjunct’s TAF, for a reason other than the following:

   (1)  when a full-time faculty member is assigned a course previously scheduled
to be taught by an adjunct;

(2) the course is canceled which shall mean for the purpose of this provision, that no one else is assigned to teach the exact same section during that semester or session;

(3) if multiple sections of the same course are consolidated.

f) Binding arbitration is available with respect to course assignment for a non-senior adjunct in the semester following the denial of seniority status where the adjunct is not offered available course(s) for a reason other than those listed in Section 4(e) 1-3 above, the course at issue was previously taught by the adjunct and the course at issue is offered in the semester at a time consistent with the adjunct's TAF.

The arbitrator’s authority to award a binding arbitration opinion under sections (e) and (f) above shall be limited solely to whether the administration acted in accordance with Article IV, Sections 5 or 6 of the Agreement. The arbitrator shall not be authorized to review the merits of the academic judgments of the faculty or the administration or substitute his or her judgment thereto.

Section 5. General Provisions

a) Wherever a time limit is provided by this Article, the parties shall have the right to extend the period only by mutual written consent. It is understood that the purpose of procedure is to resolve grievances quickly, and that extensions shall be sought only for good cause.

b) Hearings or conferences, under this Article, shall not be held at a time when Unit members, who are entitled to attend hearings or who are called as witnesses by either party, are required to meet assigned classes.

c) A grievant may withdraw his/her grievance at any level. In any event, the withdrawal or resolution of a grievance shall not constitute a precedent, which might affect similar
cases.

Section 6.

It shall be the intention of the parties to settle all differences between the University and the Union through the grievance machinery in accordance with the provision of this Agreement. Therefore, the University agrees that it will not lock out its employees and the Union agrees that it will not directly or indirectly sanction, promote, encourage or effect a job action, strike, showdown or work stoppage during the life of this Agreement. In case of a dispute between the University and another Union, the employees covered by this Agreement will not take part in a job action or sympathy strike.
ARTICLE VI

MEMBERSHIP AND SERVICE FEE

b) All faculty covered by this Agreement who commenced employment on or after the effective date of this Agreement, as a condition of continued employment, shall (i) become a member of the Communications Workers of America (CWA) within thirty (30) after the commencement of his employment and thereafter maintain his/her membership in CWA in good standing as a condition of continued employment. For the purpose hereof, an employee shall be considered a member of CWA in good standing if he/she tenders his/her periodic dues uniformly required as a condition of membership or pays an agency fee to the CWA equivalent to the dues required of members in the CWA.

c) A unit member who fails to maintain membership in good standing, or to pay an agency fee to the Union, shall be subject to suspension the following semester pending compliance with the provisions of this Article.

Section 2.

a) Upon receipt of a written authorization from an employee, the University shall, pursuant to such authorization, automatically deduct from the wages due each employee each pay period, and remit to the CWA regular dues and fees, as fixed by the CWA. Adjuncts need only to submit dues check off forms to payroll just once. Check off forms will remain in effect for as long as an adjunct has a workload.
b) The University shall be relieved from making such check off deduction upon:

(1) termination of employment
(2) layoff from work
(3) an unpaid leave of absence
(4) revocation of the check-off authorization in accordance with its terms or with applicable law.

c) Each pay period, the University shall remit to the CWA all deductions for dues made from the wages of unit members for that pay period, together with a list of all employees from whom dues have been deducted, no later than fifteen (15) days after such deductions are made.

Section 3. Indemnification

It is specifically agreed that the University assumes no obligation, financial or otherwise, arising out of the provisions of this Article, and the CWA hereby agrees that it will indemnify and hold the University harmless from any claims, actions, or proceedings by an employee arising from deductions made by the University or fees or contributions required hereunder. Once the funds are remitted to the CWA, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the CWA.
ARTICLE VII

TUITION REIMBURSEMENTS BENEFITS

Unit members shall be eligible to receive tuition reimbursement benefits as follows:

Section 1.

For each credit taught by the Unit member, the Unit member may receive a reimbursement on credits for which the Unit member has registered in any non-doctoral program in the University as follows:

<table>
<thead>
<tr>
<th>Years</th>
<th>Reimbursement</th>
</tr>
</thead>
<tbody>
<tr>
<td>0 – 7 years</td>
<td>1:5 reimbursement</td>
</tr>
<tr>
<td>7+ years</td>
<td>1:1 reimbursement</td>
</tr>
</tbody>
</table>

Adjuncts beginning employment at the University as of the Fall 2017 semester or later shall receive a 22% discount of their adjunct credit teaching bank for dependents rather than the above formula.

A unit member must pay the full amount for the course(s) and shall receive the reimbursement within 30 days of the completion of the course taken. The benefit of tuition reimbursement shall apply for the semester in which the Unit member is teaching or the semester immediately following the teaching assigned.

Section 2.

Reimbursement shall not be made for fees or other attendant course expenses.

Section 3.

The tuition reimbursement benefit is available for use by either the Unit member, his/her spouse or dependents (as determined by IRS criteria). Each credit of teaching may be used only once to receive tuition reimbursement benefits, e.g., a Unit member and spouse may not
use the same credit taught by the Unit member to receive the tuition reimbursement benefit.

Section 4.

Applications for tuition remission for each Unit member for whom tuition remission benefits are sought must be completed and submitted to the University payroll Department at the University Center at least one month after the registration period. Failure to apply for the remission benefits as and when required will result in forfeiture of the tuition reimbursement benefit.

Section 5.

All candidates for tuition remission whether or not pursuing full-time courses of study, are required to complete the appropriate applications for all federal and state funded student grants-in-aid programs. The determination of the distribution of the grants-in-aid awards to the students' tuition cost, to the University's remission cost, and to other student costs, shall be made by the Financial Aid Office, upon review of the Student Eligibility Report presented by the Student. Tuition reimbursement monies refunded to the Unit member shall be net of any financial aid received.
ARTICLE VIII
FRINGE BENEFITS

Subject to applicable limitations, the following benefits are available to unit members.

Section 1. 403(b) Retirement Plan

A 403(b) Retirement Plan Account called the Group Supplemental Retirement Account (GSRA) is available through contracts provided by TIAA. This plan gives unit members the opportunity to accumulate and invest retirement assets on a tax deferred basis or after-tax (Roth) basis. The unit member makes voluntary GSRA contributions via payroll deductions. There are no University contributions to this account.

Section 2. Health Insurance

Eligible unit members regularly employed at the Post Campus, or in one of its programs, may participate in one of two medical plan options summarized in Exhibit “B”. These options are a “Core Plan” Point of Service (“POS”) Option or a High Deductible Health Plan (“HDHP”).

HDHP enrollees may contribute tax-free dollars to an HSA (Health Savings Account) up to proscribed I.R.S. annual contribution maximums. In addition, enrollees in the HDHP shall receive an annual LIU contribution to their HSA account equal to $500 for “employee-only” enrollees, and $1,000 for those electing “family” coverage. Core plan participants may not participate in an HSA.

Following consultation with the Union, the University reserves the right to change insurance carriers, consolidate any and all insurance plans or add alternative plans or options during the life of this Agreement.

Available coverage levels will be “single” and “family.” The University will notify the Union once a year of the current single and family rates under the two options.
a) Eligibility for Health Insurance – Adjunct on University Health Plan as of November 14, 2017

To be eligible to participate in either plan, the unit member must: (i) have been employed at the Post Campus for at least two full academic years and have taught twelve (12) credits in one academic year; (ii) have taught at least six (6) credits in the semester following such academic year; (iii) pay to the University the full monthly cost of the plan in which the adjunct enrolls; (iv) normally continue to teach at least twelve (12) credits at the Post Campus, or its programs, during each academic year in which the adjunct participates in a plan; and (v) comply with all of the requirements of the carrier of the plan.

If an adjunct unit member initially qualifies for health insurance and thereafter fails to teach at least twelve (12) credits during an academic year, the unit member will be granted a two (2) academic year grace period during which the adjunct must teach at least twelve (12) credits during an academic year.

If the adjunct does not meet the twelve (12) credit per academic year requirement by the end of the two (2) year grace period, he/she will no longer be eligible to participate in the plan and must requalify.

Under all circumstances, to participate in a health plan, the unit member must teach in both the Fall and Spring semesters to be covered by the plan.

In the event that the adjunct fails to meet any of the foregoing eligibility criteria, such adjunct shall not participate in or not continue to participate in the Plan.

The foregoing is subject to formal agreement by the insurance plan that it will accept adjunct participation based on the conditions set forth above.

b) Eligibility for Health Insurance – Adjunct Not On University Health Plan as of November 14, 2017
To be eligible to participate in either plan, the unit member must: (i) have been employed at the Post Campus for at least two full academic years and have taught twelve (12) credits in both academic years; (ii) pay to the University the full monthly cost of the plan in which the adjunct enrolls; (iii) continues to teach at least twelve (12) credits at the Post Campus, or its programs, during each academic year in which the adjunct participates in a plan; and (iv) comply with all of the requirements of the carrier of the plan.

Under all circumstances, to participate in a health plan, the unit member must teach in both the Fall and Spring semesters to be covered by the plan.

In the event that the adjunct fails to meet any of the foregoing eligibility criteria, such adjunct shall not participate in or not continue to participate in the Plan.

The foregoing is subject to formal agreement by the insurance plan that it will accept adjunct participation based on the conditions set forth above.

c) Re Opener

If during the length of this Agreement: (a) there is a substantive change in the cost or availability relating to the coverage or (b) the Affordable Care Act (or similar legislation) requires future cost burdens to the University (e.g. 2018 Cadillac Tax), the University may, upon fifteen (15) days oral or written notice, require a reopening, and renegotiation of this Article.

During any period of reopening, the remaining provisions of the collective bargaining agreement, including the no-strike and no-lockout clauses, shall remain in full force and effect.

Section 3. Benefit Trust Fund

The Communication Workers of America (CWA), Local 1101 will establish a Benefit Trust Fund. This Fund will be administered by a board appointed by the CWA and will be used for the sole benefit of adjunct faculty members, in a manner to be established by the
CWA. This fund will comply with all local, State, and Federal laws. The University assumes no liability for the manner in which the fund is administered.

The CWA will establish eligibility criteria for participating adjuncts. Further, the union will notify the University on how the money is to be dispensed.

The Benefit Trust Fund will be funded by University contribution of $70,000 for year 2017-2018. The Benefit Trust Fund will be funded by University contribution of $35,000 per year for year 2018-2019 and $17,500 per year for year 2019-2020. All payments will be made on or before September 1 of each year. Thereafter, for years 2020-2021 and beyond, the University will cease contributing to the Benefit Trust Fund.

Upon request, the Union shall supply documents related to this Fund including, without limitation, eligibility criteria, the current balance of the Fund and the manner in which proceeds from the Fund have been distributed.

Section 4. Dental Benefits

Unit members (along with eligible dependents) shall be permitted to participate in the University’s dental plan currently offered through Aetna. Unit members will be responsible for the full monthly premium as required by the insurance carrier.

The foregoing is subject to formal agreement by the dental plan insurer that it will accept adjunct participation in the dental plan.

Following consultation with the Union, the University reserves the right to change dental insurance carriers, modify the plan design, add alternative dental plans or options, or eliminate this benefit during the life of this Agreement.

The review shall utilize the criteria set forth in Article XI, Section 2 and shall take place no later than the semester following the receipt of the application. The accrual of a unit member's credit hours of teaching for purposes of meeting the minimum required forty eight (48) credit hours of teaching, shall start with the Fall 1977 regular academic semester.

The Adjunct Seniority list shall be sent to the Deans and the Union at the beginning of the Fall semester.

Section 2.

a) All Unit members who are on the adjunct Seniority List prior to the Spring 2010 semester shall be permanently grandfathered on the seniority list, subject to the remaining provisions of the collective bargaining agreement. However, such adjuncts can be removed from the Seniority List under the following conditions:

(1) An adjunct demonstrates a significant deterioration of his or her teaching ability that adversely affects the student learning experience based on more than one of the teaching evaluation criteria contained in Article XI, Section 2 (items 1, 4, 5 and 6) of this Agreement.

(1) The Unit member’s Teaching Availability Form shall be examined to determine the time, days and locations the Unit member is available for assignment.

(2) The Unit member shall then be tentatively assigned to an available course for which the Unit member is qualified and which meets the Unit member’s teaching availability
requirements.

(3) In the event that two (2) or more Unit members, who are on the Adjunct Seniority List, are eligible for assignment to the same available course, the Unit member who has taught that same course more often in the past shall be assigned to the course.

(4) Additional courses will be assigned on the basis of seniority status for the course(s) within the department.

(5) The process of assignment from the Adjunct Seniority List shall commence with the courses taught after 9/1/80.

b) The University recognizes and values the services performed by its adjunct faculty. This is particularly true in the case of adjuncts who have taught at least 42 credits or at least 6 credits in 5 consecutive semesters at the Post campus. The University will be cognizant of this service when considering adjuncts for Seniority Review or teaching assignments.

c) None of the above procedures stated in 3(a) of this section shall be construed so as to limit either the extent of teaching assigned to full-time faculty or the priorities attendant to full-time faculty assignments.

Section 4.

Arbitration of Section 1 of this Article shall be limited solely to procedural issues. The Arbitrator shall not be authorized to review the merits of the academic judgment of the faculty and administration or substitute his or her judgment therefore.
ARTICLE XIII
