

## 2024-2025

### Identity and Statement of Educational Purpose Verification Worksheet

Your 2024-2025 FAFSA was selected for Identity and Statement of Educational Purpose federal verification. There are two components to this verification:

- Confirming your identity by presenting an original unexpired government issued photo ID
- Hand signing and dating the Statement of Educational Purpose

You must complete both of these components at the same time in one of the following places. This form contains two additional pages, one for each option, which contains specific instructions for that location:

- In person at an LIU Enrollment Services office
- In person with a Notary Public

Please remember that, whichever you choose, you will need to present your original unexpired government issued photo ID:

- Such as, but not limited to, a driver's license, non-driver's identification card, other state-issued ID, or a signed U.S. passport.
- We may not accept an ID issued by a state university/college or a military ID that is prohibited from being copied as we must retain a copy as part of the verification process
- Your full name on the ID you present must match the name on your FAFSA and your name on record with Long Island University
